

## A CUTOUT OF PIANOS

Fold the printouts and cut out the pianos. When You unfolded, the cutouts will make an original decorative piece for the room. You might ask an adult for help with the scissors!

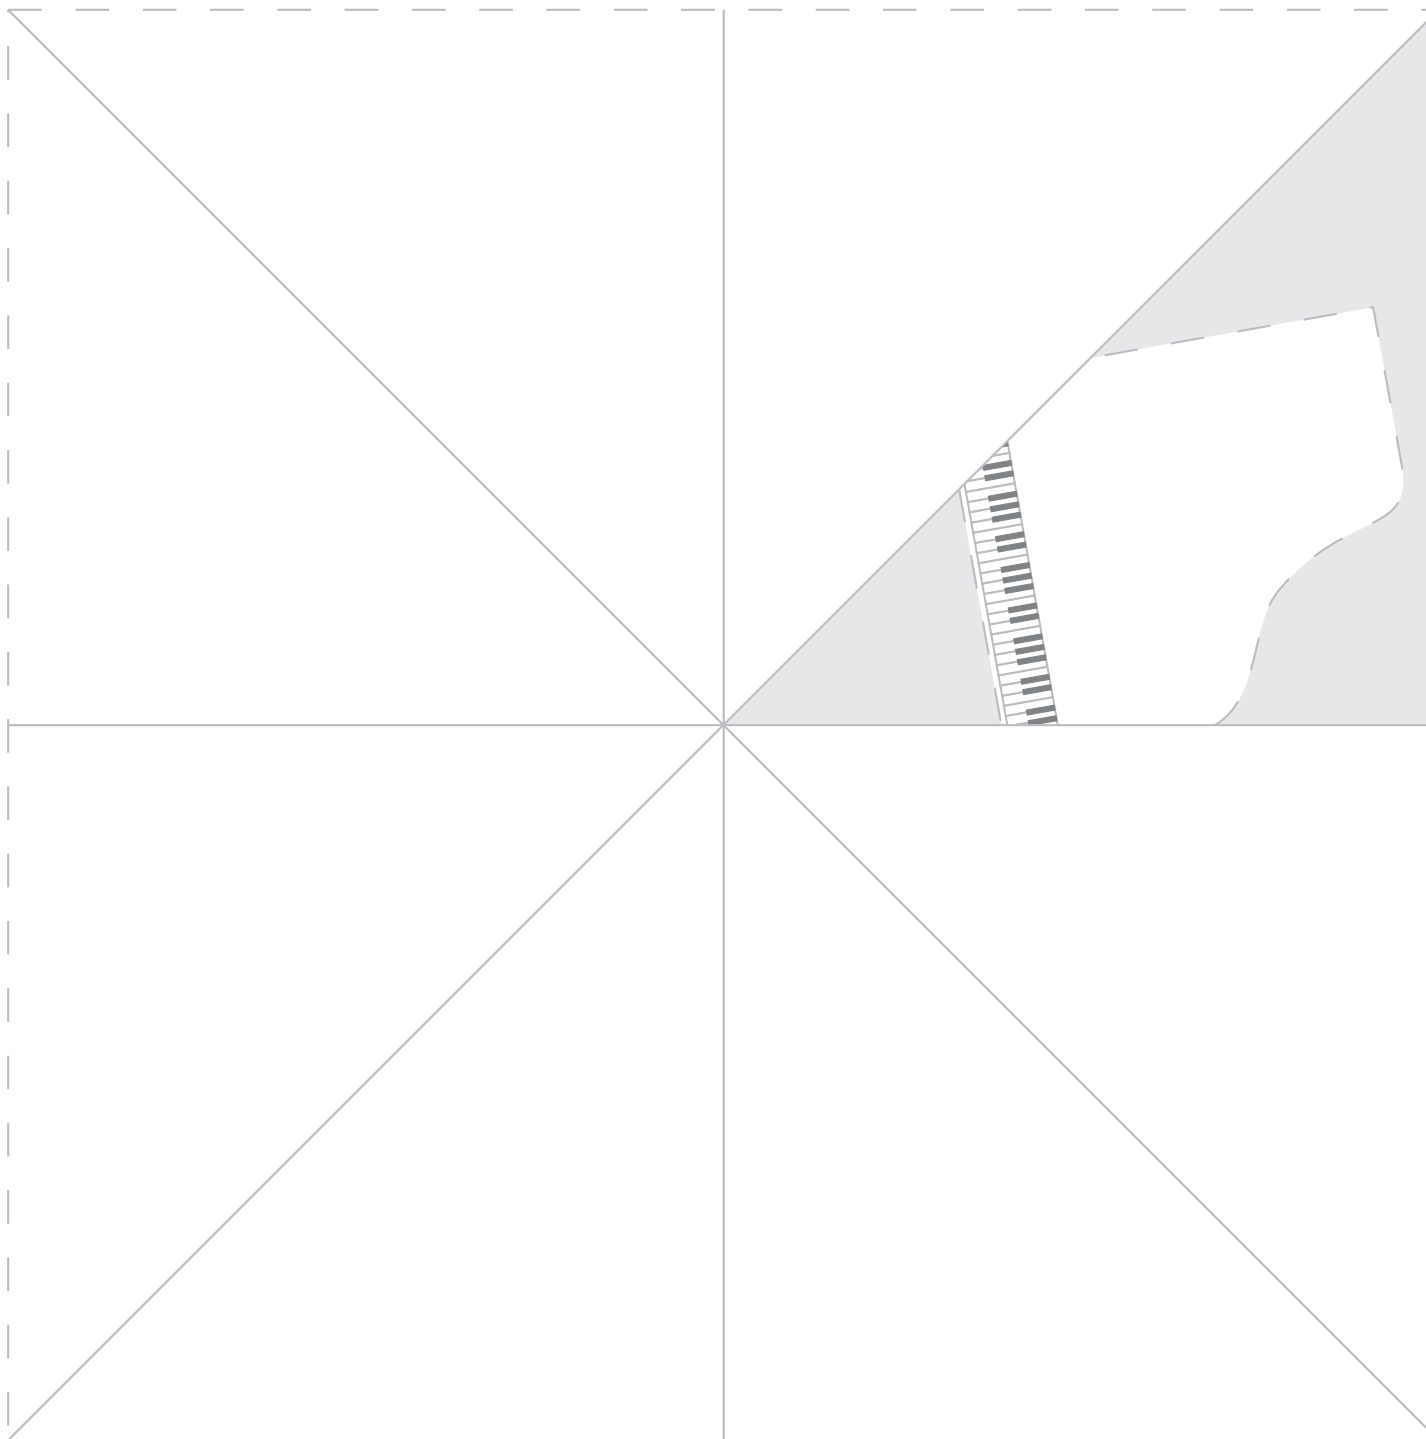

## FOLDING INSTRUCTIONS

1. Cut out the square as indicated by the dashed line.
2. Fold the square in half along a solid line, so that the piano image is face up.
3. Fold the rectangle in half to create a square.
4. Now, fold the square to create a triangle.
5. Cut out the shape of the piano along the dashed line. Be careful not to cut the fold.
6. You may colour the piano cutouts.
